# WELCOME MESSAGE

Take a closer look into web development as I navigate the basics of HTML, CSS, and JavaScript to create a captivating landing page. Explore the engaging Data Explorer, interact with the clean 'Stay Updated' form, and seamlessly connect through integrated contact details. Delve into the design, functionalities, and personalized elements of this digital space.

Whether you're a developer, tech enthusiast, or just curious, let's delve into the code and uncover the elements shaping this web experience. Ready? Let's get started!

```
<!DOCTYPE html>
<html lang="en">

<head>
  <meta charset="UTF-8">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Welcome to Keizia Purba's Learning Journey</title>
  <link rel="stylesheet" href="https://fonts.googleapis.com/css2?family=Segoe+UI:wght@300&display=swap">
  <link rel="stylesheet" href="https://cdnjs.cloudflare.com/ajax/libs/font-awesome/6.0.0/css/all.min.css">
  <style>
```

# DOCUMENT STRUCTURE

The HTML document begins with the standard document type declaration and sets the language to English. The <head> section contains metadata, including character set, viewport settings, and external stylesheet links.

# HEADER AND NAVIGATION

## Header Section (<header>)

- Displays the website logo and a welcoming title.
- Positioned at the top with a distinct background color and centered text.

```
<header>
  
  <h1>Welcome to Keizia Purba's Learning Journey</h1>
</header>
```

## Navigation Section (<nav>)

- Contains navigation links and a dark mode toggle button.
- Navigation links provide easy access to Home, Portfolio, and Contact sections.
- The dark mode toggle button allows users to switch between light and dark modes.

```
<nav>
  <a href="javascript:void(0)" onclick="showHomePage()">Home</a>
  <a href="https://lnk.bio/keiziapurba" target="_blank">Portfolio</a>
  <a href="javascript:void(0)" onclick="showContactInfo()">Contact</a>
  <button class="toggle-btn" onclick="toggleDarkMode()">
    <i class="fas fa-adjust"></i>
  </button>
</nav>
```

# MAIN CONTENT SECTION

## Data Explorer (<div class="product-info">)

- Showcases information about the Data Explorer, styled in a visually appealing way.
- Describes the transition from studying International Relations to becoming a Junior Data Engineer.

```
<section>
  <div class="product-info">
    <h2>Data Explorer</h2>
    <p>I went from studying International Relations to creating data stories. Now, as a Junior Data Engineer,
      I'm here to spark your curiosity. Let's dive into the world of data together!</p>
  </div>

  <p>
    <div class="signup-form">
      <h2>Stay Updated on Tech &#128640;</h2>
      <form action="#" method="post">
        <p>
          <label for="email">Email:</label>
          <input type="email" id="email" name="email" required>
          <button type="submit">Sign Up</button>
        </p>
      </form>
    </div>
  </p>

  <div class="contact-info" style="display: none;">
    <h2>Contact Information</h2>
    <p> Email: keiziapurba@gmail.com</p>
    <p>LinkedIn: Keizia Purba</p>
  </div>
  
</section>
```

## Contact Information (<div class="contact-info">)

- Displays contact information in a clean and organized manner.
- Includes email and LinkedIn details.
- Initially hidden and becomes visible upon user interaction.

## Stay Updated (<div class="signup-form">)

- Presents a form for users to stay updated on tech-related content.
- Users can enter their email and sign up for newsletters or updates.
- Stylishly designed with a contrasting color to grab attention.

# FOOTER

## Copyright and LinkedIn Link

- Provides a copyright notice and encourages users to connect via LinkedIn.
- Positioned at the bottom of the page.

```
<footer>
|   <p>&copy; 2024 Keizia Purba | Connect with me: <a href="https://www.linkedin.com/in/keiziapurba/" target="_blank">LinkedIn</a></p>
| </footer>
```

# STYLES (CSS)

## Dark Mode Styling

Allows users to toggle between light and dark modes seamlessly.

```
/* Dark Mode */
body.dark-mode {
  background-color: #000000;
  color: #fff;
}
```

## Styling for Each Section

- Specific styles for the header, navigation, main content, and footer.
- Each section has its own color scheme, typography, and layout.

```
header {
  background-color: #293241;
  color: #fff;
  padding: 40px;
  text-align: center;
  position: relative;
}

header h1 { ...
}

header img { ...
}

nav {
  background-color: #ee6c4d;
  padding: 15px;
  text-align: center;
  box-shadow: 0 0 10px rgba(0, 0, 0, 0.1);
}
```

# JAVASCRIPT

## Functions:

- **showContactInfo():** Displays contact information while hiding other sections.
- **showHomePage():** Restores the display of all main sections.
- **toggleDarkMode():** Toggles the dark mode by adding/removing a class to the <body>.

```
<script>
Codeium: Refactor | Explain | Generate Function Comment | X
function showContactInfo() {
    var contactInfo = document.querySelector('.contact-info');
    var productInfo = document.querySelector('.product-info');
    var signupForm = document.querySelector('.signup-form');

    // Menyembunyikan elemen-elemen yang tidak diperlukan
    productInfo.style.display = 'none';
    signupForm.style.display = 'none';
    contactInfo.style.display = 'flex';
}

Codeium: Refactor | Explain | Generate Function Comment | X
function showHomePage() {
    var contactInfo = document.querySelector('.contact-info');
    var productInfo = document.querySelector('.product-info');
    var signupForm = document.querySelector('.signup-form');

    // Menampilkan kembali semua elemen
    productInfo.style.display = 'block';
    signupForm.style.display = 'block';
    contactInfo.style.display = 'none';
}

Codeium: Refactor | Explain | Generate Function Comment | X
function toggleDarkMode() {
    const body = document.body;
    body.classList.toggle('dark-mode');
}
</script>
```

# FONT AND ICON LIBRARIES

Utilizes Google Fonts ('**Segoe UI**') and Font Awesome (icons) for a visually pleasing and consistent appearance.

```
<link rel="stylesheet" href="https://fonts.googleapis.com/css2?family=Segoe+UI:wght@300&display=swap">  
<link rel="stylesheet" href="https://cdn.jsdelivr.net/npm/font-awesome@6.0.0/css/all.min.css">
```
